

**LIST OF ILLINOIS PUBLIC-AID-BENCHMARKED  
MEDICARE PART D  
2023 PRESCRIPTION DRUG PLANS**

**Enrollment Period for Skilled Nursing, Sheltered Care, Intermediate Care & MR-DD Facilities**

Residents in these facilities do not have to wait until the standard enrollment period to register for a Medicare Part D prescription drug plan (PDP); they can enroll at any time throughout the year. PDP benefits are generally effective the next month. Be sure note on the enrollment application if the beneficiary is a long-term care (LTC or nursing home) resident.

**Enrollment Period for Assisted and Supportive Living Facilities**

Residents may only enroll or change PDPs from October 15 to December 7 of each year for the next benefit year.

Enroll by phone or online through the plan’s website. After enrolling, please follow up with the plan within 7-10 days to ensure that the application was received and is being processed. If the resident is switching from a commercial prescription plan to a Medicare Part D PDP, the plan may request proof of cancellation from the commercial prescription plan.
