

LIST OF WISCONSIN-PUBLIC AID BENCHMARKED MEDICARE PART D 2023 PRESCRIPTION DRUG PLANS

Enrollment Period for Skilled Nursing, Sheltered Care, Intermediate Care & MR-DD Facilities

Residents in these facilities do not have to wait until the standard enrollment period to register for a Medicare Part D prescription drug plan (PDP); they can enroll at any time throughout the year. PDP benefits are generally effective the next month. Be sure note on the enrollment application if the beneficiary is a long-term care (LTC or nursing home) resident.

Enrollment Period for Assisted and Supportive Living Facilities

Assisted and Supportive Living residents may only enroll or change PDPs from October 15 to December 7 of each year for the next benefit year.

Enroll by mail, phone or online through the plan's website. After enrolling, please follow up with the plan within 7-10 days to ensure that the application was received and is being processed. If the resident is switching from a commercial prescription plan to a Medicare Part D PDP, the plan may request proof of cancellation from the commercial prescription plan.
